

Read what parents and other childcare providers have to say about

Books and More!

My child enjoyed it; he had fun & learned a few songs!

I like that I can count and read the bilingual books with my children because they learn Spanish and I learn English.

It is a great idea to utilize these bags to come together & have fun as a family.

The bag is filled w/ learning activities; they helped my daughter to read, listen, & observe. Much thanks!

Thank you for motivating us to read.

I use[the materials] to read bedtime stories to my son every night.

Talked about opposites, counting, remedies; very enjoyable.

We really enjoyed this learning kit. Perfect set for family use.

My 6 month old grandchildren (twins) enjoyed all the books, and Arrorro mi Niño CD. I love it!

Thank you for helping me read, entertain and play with my daughters. Also, for the ideas that help me make reading easier.

It was a great caterpillar and butterfly learning experience for my 3- year-old. Great puppet and book combo.

I like Books and More! because they have books for babies and for older children.

As a mother, I am pleased with the materials in the bag. It's important to think about children's interests and motivation.

The contents of this bag were developed under a grant from the Department of Education. However, those contents do not necessarily represent the policy of the Department of Education, and you should not assume endorsement by the Federal Government.
